August Speaker Lt. Governor & Candidate for Governor Duke Aiona

Lt. Governor James R. "Duke" Aiona, Jr. has dedicated his life to serving the people of Hawai'i. Born and raised in Hawai'i, Duke has served the public as a city prosecutor, city attorney, state judge, and for the past seven plus years as Lt. Governor.

First elected Lieutenant Governor in 2002, Duke has played a vital role in ensuring integrity, accountability and fiscal responsibility in state government. He has helped to expand science, technology, engineering and mathematics education (STEM) in our schools, craft affordable housing solutions and advocate for much-needed tax relief for our working families and small businesses.

Duke has also been a leading voice for healthy living in Hawai'i. He helped to launch the first comprehensive Hawai'i Physical Activity and Nutrition plan, and he unveiled the first comprehensive set Wellness Guidelines, which serve as the official policy of the Department of Education to remove junk food from our schools and improve physical activity and education among our children.

As a proud keiki o ka `aina, nothing is more important to Duke Aiona than the health and well-being of our families. He is running for Governor to ensure balance, integrity and accountability in state government while reducing the financial burden on our working families and small businesses, creating jobs and investing in the quality of our education system so all of Hawai'i's children have a brighter future.

The Pres Says...

Our July 1 luncheon meeting was held at Hee Hing Restaurant in Kapahulu and 65 members and guests came to hear Republican Mayoral Candidate, Panos Prevedouros, our keynote speaker. He discussed his goals to revitalize the city and county infrastructure as seen through the eyes of a professor of civil engineering instead of a politician, sought support for his candidacy, and responded to questions from the audience.

Dr. Judy Franklin, Candidate SD13, **Richard Fale**, Candidate HD47, and **Julia Allen**, Candidate HD20 each spent a few minutes describing their backgrounds and discussing their campaign platforms.

We welcomed 11 guests: Katie O'Donnell and Jay McWilliams (Pam Smith); Dr. Judy Franklin, Senate District 13 Candidate; Lydia Riveira (Nancy Gallagher); Frank Black and David Moskowitz (Lorimegan Black); Jerry Jordan, Judy's husband; Earl Arakaki (Garry Smith); Cathy Baker (Mimi Torreano); Cynthia Frith (Panos' volunteer).

THOUGHT FOR THE DAY: Anne Sutton shared an inspiring Independence Day message.

MAHALO to Mike Palcic and Julia Allen for repairing and updating the computer equipment in our OLRW Headquarters' office. Mike also provided us with a brand new printer.

We received a thank you letter from the Hawaii Food Bank for our generous donation of 98 lbs of groceries during the recent Annual Food Drive at the HRP State Convention.

Bylaws Revisions are on our website. George Kekuna has not received any comments to date; therefore, plans are to have the new Bylaws in place and approved at our August membership luncheon.

Welcome to new member Dale Evans,

Oahu needs a Mayor who understands REAL Fiscal Responsibility

Panos, an engineer, grew up working in his Parents' small businesses. He understands that money spent by the city is earned by you and entrusted to him to spend wisely. To that end Panos will stop the rail project in its tracks, unlike Peter Carlisle who wants to expand the rail project to include Wahiawa, Waianae, Hawaii Kai and Kailua (about \$30 BILLION).

Paid for by Panos for Progress

Panos for MAYOR.
Elect an Engineer, Not a Politician.

The Mayor will be elected September 18 (PRIMARY Election Day) in a special election. You will be offered a choice between an engineer with real solutions and a bunch of politicians.

Vote Panos Prevedouros for Mayor.

Your NEW and IMPROVED Health Care Bill

Title IX: Revenue Provisions - Subtitle A: Revenue Offset Provisions - (Sec. 9001, as modified by section 10901) Amends the Internal Revenue Code to impose an excise tax of 40% of the excess benefit from certain high cost employer-sponsored health coverage. Deems any amount which exceeds payment of \$8,500 for an employee self-only coverage plan and \$23,000 for employees with other than self-only coverage (family plans) as an excess benefit. Increases such amounts for certain retirees and employees who are engaged in high-risk professions (e.g., law enforcement officers, emergency medical first responders, or longshore workers). Imposes a penalty on employers and coverage providers for failure to calculate the proper amount of an excess benefit.

(Sec. 9002) Requires employers to include in the W-2 form of each employee the aggregate cost of applicable employer-sponsored group health coverage that is excludable from the employee's gross income (excluding the value of contributions to flexible spending arrangements).

(Sec. 9003) Restricts payments from health savings accounts, medical savings accounts, and health flexible spending arrangements for medications to prescription drugs or insulin.

(Sec. 9004) Increases to 20% the penalty for distributions from a health savings account or Archer medical savings account not used for qualified medical expenses.

(Sec. 9005, as modified by section 10902) Limits annual salary reduction contributions by an employee to a health flexible spending arrangement under a cafeteria plan to \$2,500. Allows an annual inflation adjustment to such amount after 2011.

(Sec. 9006) Expands reporting requirements for payments of \$600 or more to corporations (other than tax-exempt corporations).

(Sec. 9007, as modified by section 10903) Requires tax-exempt charitable hospitals to: (1) conduct a community health needs assessment every two years; (2) adopt a written financial assistance policy for patients who require financial assistance for hospital care; and (3) refrain from taking extraordinary collection actions against a patient until the hospital has made reasonable efforts to determine whether the patient is eligible for financial assistance. Imposes a penalty tax on hospitals who fail to comply with the requirements of this Act.

Requires the Secretary of the Treasury to report to Congress on information with respect to private tax-exempt, taxable, and government-owned hospitals regarding levels of charity care provided, bad debt expenses, unreimbursed costs, and costs for community benefit activities.....

Seen enough?

Vote Republican this Fall to repeal Health Care "Reform".
