Guest Speaker

Former Congresswoman

# Pat Saiki

Pat Saiki began her working life as a teacher in 1956, working in a variety of schools in Ohio and Hawaii. In 1968 she served in the first Hawaii State Constitutional Convention, helping to establish and refine the framework for the newest state government in the union. She went on to serve in the state legislature from 1968-1982 in the house, then the senate. She helped create the University of Hawaii's schools of medicine and law, as well as the statewide Emergency Medical Services System. Pat was elected to the United States Congress in 1986 and served from 1987-1991. Since her service in congress she has been the Administrator for the US Small Business Administration (1991-1993), a Teaching Fellow at Harvard University, a member of various boards and a member of the East-West Center Board of Governors in Washington. In her "spare time" Pat has volunteered for a variety of causes including the Variety Club, Boys & Girls Club of Hawaii, Special Olympics and Hawaii Kids at work. She has recently announced that she will be heading up Rudy Giuliani's Presidential campaign in Hawaii.

It will be great to hear what this incredible woman will be doing next!

## Policy On Luncheon Reservations And Cancellations:

Please note that *reservations and/or cancellations* must be called in to Jeannine Sills at 595-5172 by Friday, September 27, 2007. At our September 10 Board Meeting, the Board voted to adhere to a strict policy on reservations and cancellations.

We cannot accommodate walk-ins nor can we accommodate late cancellations. We are being held to the reservation count we call in, not to the number of guests that attend. ## OLRW Dues Will Increase On January 1, 2008

The Board of Directors unanimously approved an increase in 2008 dues at their August 14th meeting. The annual dues will increase from \$15 to \$20 and life memberships will change from \$150 to \$200. This increase is necessary to maintain an operating income to sustain our operating expenses in the future.

## September Luncheon Meeting Highlights

Wanda Adams cancelled due to illness but invited **Paula Rath**, fashion editor of the *Honolulu Advertiser* to be our speaker. Paula spoke on packing and leaving town with one single 21" bag. She described her years of travel and how she has her packing down to a science. Here are her tips

- Choose one neutral base color: black, gray, navy or brown.
- Don't take anything that goes with just one other thing in your suitcase.
- Shoes: Never take more than three pairs and NEVER take brand new shoes; always travel with shoes that have been broken in.
- When in doubt about two (of anything), whittle it down to one.
- Take a few pieces that you plan to give away or throw away; allows for new purchases in your suitcase.
- Buy some long silk underwear or Patagonia Capilene.
- If you plan to shop a lot, take a tote bag that packs flat; there are even some with wheels at Ross's.
- Keep medicines in two separately packed bottles.
- Whatever helps you sleep – take it along.
- Whatever helps your workout – take it along.

### Top Ten Travel Items From The Society Of American Travel writers:

1. Good walking shoes.
2. Photocopy of the face page of your passport (carried separately).
3. Plastic zip-lock bags.
4. Loperamide or some over-the-counter diarrhea remedy).
5. Photocopies of prescriptions for medicines and eyeglasses.
6. A Swiss Army knife (packed in suitcase).
7. A pocket flashlight
8. Extra camera batteries.
9. Address book or Blackberry.
10. Photocopies of ALL credit cards in your wallet with 1-800 numbers for reporting losses.

### Tips For Those Who Wash Windows

Straight vinegar will get outside windows really clean. Don't wash windows on a sunny day. They will dry too quickly and will probably streak.

Use vertical strokes when washing windows outside and horizontal for inside windows. This way you can tell which side has the streaks.
